Good morning!

I emailed _____ mom to see how his first week and a half of school went for him. She said that it went really well but just noted a couple of things that _____ would be needing per his 504 plan. One of those accommodations is a set of printed notes for Global Cultures. I am not sure if that's something that has been provided to _____ at all yet in your class, but I wanted to make sure you were aware early on in the semester. Thank you and please let me know if you have any questions!

Yep. I forgot about that this last week. I'll make the necessary changes.
