

*Race* - Marc Aronson

"Introduction"

1. When did the idea of race originate?
2. What are the four "pillars" of race? (p. 2-3)
3. Are the "pillars" true or false?
4. How is "racial prejudice" and "hatred of difference" not the same? (p. 6)
5. What does the name Munduruku mean?
6. What word means "strangers" and "enemy"? (p. 11)
7. What does the answer to question #6 tell us about prejudice?
8. Why did the people of Uruk feel so superior to those outside the walls?
